

FOUNDER PROFILE: MERCY WAIHUINI WAMBUGU

FOUNDER AND DIRECTOR, KEKAM MEDICAL CENTRE

Mercy Waihuini Wambugu is the visionary founder and director of KEKAM Medical Centre, a healthcare facility established to bridge the gap in access to quality healthcare in the underserved community of Engineer Town, Nyandarua County, Kenya.

With a steadfast commitment to improving healthcare outcomes, Mercy spearheaded the development of KEKAM Medical Centre, transforming it into a beacon of hope for thousands of residents in the region. Under her leadership, the facility has grown to offer a diverse range of services, including general consultation, laboratory diagnostics, and pharmacy operations.

A compassionate leader, Mercy is deeply invested in community-centric healthcare initiatives. Her innovative approach includes leveraging technology through telemedicine and planning strategic expansions such as an inpatient department and advanced diagnostic services. She also prioritizes partnerships with local and international organizations to enhance service delivery and sustainability.

Mercy combines her entrepreneurial spirit with a profound understanding of the healthcare landscape in Kenya, ensuring that KEKAM Medical Centre not only meets but exceeds the expectations of the communities it serves. She remains committed to driving positive change and making healthcare accessible to all, particularly in rural and underserved areas.

Vision: To make KEKAM Medical Centre a leading provider of accessible, high-quality, and innovative healthcare solutions in rural Kenya.

Mission: To deliver compassionate and comprehensive healthcare services that empower communities and improve overall well-being.
